

The Rotary Club of Petaluma is going on a "Field Trip!"

- Where? The Historic Hotel Petaluma @ 106 Washington St.
- When? Thursday, January 28, 2016
- What Time? 12 to 1:30 pm

What's the Program for The Meeting?

- We will all tour the refurbished Hotel; learn about the history of the Hotel and their future plans.
- Barber Cellars, located in the same building, will also be there pouring their great wine. The Barbers will also give us a presentation about their winery and new tasting room.
- Sally Tomatoes will be providing the lunch as usual.
- President Gary will preside over the meeting and will do his best to keep us all under control.

Some other tips...

- We suggest you arrive early since parking is a bit of a challenge in that area.
- Car pool if you can.
- Some of you can even walk to the meeting!
- Super Raffle and Crab Feed tickets will be there, too.
- Feel free to bring a guest.

We sure hope you all enjoy this fun and interesting "field trip"!
