June 30 - Debunking

President **LEROY BEAN** started the meeting and **GEOFF ELLIS** led us in song. **HARVEY FREETLY** reminded president **LEROY** that the club had voted to adopt "I'm a Rambler" as the official club song and conducted the club in this tribute to **GENE BENEDETTI**. **KEITH SOLTS** offered a prayer for the day. **BRIDGET DOHERTY** introduced visiting Rotarians, and **LARRY JONAS** drew our attention to the upcoming fund raiser picnic to benefit the international projects of the three Petaluma Rotary Clubs. The event will be held from 11:00 am - 4:00 pm on July 16 at Two Rock Lake, \$25 for adults and \$5 for kids. **JOANNE FERRIS** reminded the club of president **LEROY's** Debunking and Installation of **TAWNY TESCONI** as president on June 30. Information has been sent to each member. Be sure to respond as soon as possible. President **LEROY** reminded us that a club photo will be taken next week for inclusion in the annual Argus Courier Rotary edition and urged everyone to attend. **ONITA PELLEGRINI** reminded everyone that next week is the deadline for matching funds from the club for members to attain their initial or next Paul Harris level. Check with **ONITA** regarding your personal account.

President **LEROY** took the opportunity to thank several members who have made a significant contribution to his year. **RICK VAN BEBBER** received the Silent Rotarian award for his duties with lunch ticket sales and Interact. **ROBERT MITCHELL** and **JIM BECKER** were recognized as part of the International Committee and their work on the Guatemala Project. **ONITA PELLEGRINI** was honored for her general presidential assistance, organization of Fireside Chats, and yeoman's service in membership. Each honoree received a gift and a card. President **LEROY** also recognized **HARVEY FREETLY**, who was honored as District Rotarian of the Year; **AL CATTALINI**, who was recognized by the District for his work on the club website; and **DAVE AMUNDSEN**, who has provided consistent set up assistance throughout the year.

MARK STOKES admitted to a Hawaii trip some time ago and paid \$100 for moving his office to North McDowell. **AL KAPLAN** announced his first wedding anniversary on June 25 and the graduation of two step daughters from high school, one going to the JC and the other to Gonzaga. In their honor, he presented a check for a Paul Harris award on behalf of his wife, **TWINK**. She wanted to know if she could wear it on her finger. **JEANETTE CLARK** looked mighty tan after a month in Hawaii. She shared her pride in 48 years of marriage and \$50 with the club. **LARRY JONAS** took the stage again due his upcoming 60th birthday, and president **LEROY** shared a card from one of **LARRY's** former employees, who donated \$100 to the club in honor of **LARRY's** generosity. But, it was **TED ADKINS** who stole the show, as he won the \$450 raffle prize.

HENRY HANSEL introduced a very informative program by **JIM JOHNSON**, who started KFTY television channel 50. **JIM** showed an excellent video on the Great Santa Rosa Earthquake of April 18, 1906, funded by the Santa Rosa Rotary Club.
